*** see directions on next page

Coming from the west, I-95, Exit 318, southeast on State Road 16/FL-16 toward Outlet Mall Road and downtown St. Augustine

Then go approximately 4 miles on SR-16 and turn LEFT on Collins Avenue. There is a traffic light at Collins Avenue. Collins Avenue ends at the First Coast Technical College entrance.

Once on the campus, stay on the perimeter road almost all the way around. Walter's Reef Café will be on your right. It has a small awning over its entrance.

Coming from the east, turn off US-1 on State Road 16/FL16 going toward I-95

Then go approximately 1.4 miles on SR 16 and turn RIGHT on Collins Avenue. There is a traffic light at Collins Avenue. Collins Avenue ends at the First Coast Technical College entrance.

Once on the campus, stay on the perimeter road almost all the way around. Walter's Reef Café will be on your right. It has a small awning over its entrance.

More detailed directions can be obtained from either Map Quest or Google.
